DIRECTORS' REPORT

Principal Activities and Our results

Classroom of Hope's programs are focused on creating child-friendly schools, building schools and scholarships for children in developing countries. Our purpose is to provide access to quality education.

Classroom of Hope has been supporting three projects with incredible local NGO partners across Cambodia and Rwanda with a common purpose of education for all.

Our 'Schools for Excellence' project in rural Cambodia has to date completed fifteen child-friendly schools and been developing another seven child-friendly schools which are due for completion in October 2016. This project is based on UNICEF's child-friendly framework principles. (CFS) http://www.unicef.org/publications/index_49574.html

Our 'STEM4Women' project is providing ten young women with tertiary scholarships to study in the areas of STEM (Science, Technology, Engineering and Mathematics) in institutions across Cambodia and Thailand.

Our 'Schools for Excellence Rwanda' project has built eight toilets and a clean water facility in Nyamatete primary school and is also in the process of building a new school, water facility and toilets for the Gitumba villages in Southern Rwanda.

To date Classroom of Hope and our partners have served 7180 children and 194 teachers.

Classroom of Hope is proud to be a partner for these three projects with Global Development Group (ABN 57 102 400 993), Australian DFAT approved NON Government Organisation carrying our quality humanitarian projects with approved partners and providing aid to relieve poverty and provide long-term solutions.

Classroom of Hope and its partners work hard to ensure high quality in the delivery of our projects with strong governance/monitoring and evaluation provided in collaboration with our Australian ITEM 1 NGO partner Global Development Group.

Together we focus on education because it is the building block of every society. By providing a child with an education, you give them the tools to change their life, the power to unleash their potential, the ability to give back to their community and the opportunity to improve the livelihoods of future generations.

NOTE 1 - STATEMENT OF ACCOUNTING POLICIES (Cont'd)

a) *Revenue*

ii) **Donations and Fundraising**

Revenue from donations and fundraising is brought to account when received. Education program related donations are directly transferred to Global Development Group (GDG) Overseas Relief Fund Projects J759N, J759NA and J507A – Each educational development project, in partnership with Classroom of Hope and best practice local NGOs aims to provide quality educational opportunities to children across Cambodia and Rwanda. For the period ended 30 June 2016 Classroom of Hope has sent GDG \$70,792 which has been directly deposited into the Project J759N. Classroom of Hope is a public ancillary fund DGR ITEM 2 so any donations from other DGR2 organisations and private ancillary funds are deposited directly into the GDG bank accounts rather than the CoH Trust Fund accounts.

Due to the nature of the Fund's activities, it is impracticable for the Fund to establish adequate control over the collection of donations prior to entry in its financial records. As a result, donation revenue disclosed in the Income Statement represents amounts banked by the Fund.

a) *Income Tax*

The trust is a registered charity and as such is exempt from income tax.

b) *Employee Benefits*

No provision is made for the Fund's liability for employee benefits arising from services rendered by employees to balance date, including recognition for wages, salaries and annual leave. The trust's accounts are maintained on a cash basis. No material liability exists for sick leave.

Long service leave is measured at the present value of expected future payments to be made in respect of services by employees up to balance date.

Contributions are made by the trustee to an employee superannuation fund and are charged as expenses when incurred.

INDEPENDENT AUDITOR'S REVIEW REPORT

To the trustee of Classroom of Hope Fund

Report on the Financial Report

We have reviewed the accompanying financial report of Classroom of Hope Fund ("the fund"), which comprises the statement of financial position as at 30 June 2016, the income statement and the statement of changes in equity for the period ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Trustee Company Directors' responsibility for the half-year financial report

The directors of the trustee of the fund are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Australian Charities and Not-for-profits Commission Act 2012* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express a conclusion on the financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the *Australian Charities and Not-for-profits Commission Act 2012* including: giving a true and fair view of the fund's financial position as at 30 June 2016 and its performance for the period ended on that date; and complying with *Australian Charities and Not-for-profits Commission Act 2012*. As the auditor of the fund, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012*.

Basis for Qualified Conclusion

Donations are a significant source of revenue for the fund. The fund has determined that it is impracticable to establish control over the collection of donations prior to entry in its financial records. Accordingly, as the evidence available to us regarding revenue from this source was limited, our review procedures with respect to donations had to be restricted to the amounts recorded in the financial records. We are therefore unable to express whether the donations obtained by the fund are complete.

Qualified Conclusion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Conclusion paragraph, the financial report of Classroom of Hope Fund is in accordance with the *Australian Charities and Not-For-Profits Commission Act 2012*, including:

- (i) giving a true and fair view of the fund's financial position at 30 June 2016 and of its performance for the period ended on that date; and
- (ii) complying with Australian Accounting Standards and the *Australian Charities and Not-For-Profits Commission Regulation 2013*.

Report on the requirements of the WA Charitable Collections Act (1946) and the WA Charitable Collections Regulations (1947)

We have reviewed the financial report as required by the *WA Charitable Collections Act (1946)*. Our procedures included obtaining an understanding of the internal control structure for the fundraising appeal activities and examination of evidence supporting compliance with the accounting and associated record keeping requirements for fundraising appeal activities pursuant to the *WA Charitable Collections Act (1946)* and the *WA Charitable Collections Regulations (1947)*.

Because of the inherent limitations of any assurance engagement, it is possible that fraud, error, or non-compliance may occur and not be detected. A review is not designed to detect all instances of non-compliance with the requirements described in the above mentioned Act and Regulations as a review is not performed continuously throughout the period and the review procedures performed in respect of compliance with these requirements are undertaken on a test basis. The review opinion expressed in this report has been formed on the above basis.

Conclusion

Based on our review, which is not an audit, in our opinion, except for the possible effects of the matter described in the Basis for Qualified Conclusion paragraph, we have not become aware of any matter that makes us believe that:

- (a) the financial report of Classroom of Hope Fund has not been properly drawn up, and associated records have not been properly kept during the financial period ended 30 June 2016, in all material respects, in accordance with:
 - (a) the WA Charitable Collections Act (1946); and
 - (b) the WA Charitable Collections Regulations (1947).
- (b) the money received as a result of fundraising appeals conducted by the fund during the financial period ended 30 June 2016 has not been properly accounted for and applied, in all material respects, in accordance with the abovementioned Act and Regulations.
