

Sponsor a Project

What you get when you give

Build Your Own School

\$40,000-\$50,000 USD

- Your name or your company name and logo will go on the school
- You and your company staff can visit the project upon completion (at your own cost) facilitated by Classroom of Hope
- Receive progress and completion impact reports with photos, GPS coordinates and financials
- Your company logo will be on the Classroom of Hope's website on our partner's page
- A Partner Impact Story will be shared with our database about the impact you/your company are creating
- Personal progress update phone call from our CEO
- Remote or face-to-face (depending on location) presentation to your staff about the project by Duncan and Nicola

Sponsor a Child-Friendly School

\$12,000 - \$20,000 USD

- Your name or your company name and logo will go on the school
- You and your company staff can visit the project upon completion (at your own cost) facilitated by Classroom of Hope
- Receive progress and completion impact reports with photos, GPS coordinates and financials
- Your company logo will be on the Classroom of Hope's website on our partner's page
- A Partner Impact Story will be shared with our database about the impact you/your company are creating
- Remote or face-to-face (depending on location) presentation to your staff about the project by a CoH staff member

Give STEM Scholarships

\$12,000 USD per year for 2 years

(covers the cost of 10 scholarships plus administration for STEM education programs in Cambodia and Thailand.)

- Receive a video impact report about the young women you are supporting
- Receive progress and completion impact reports with photos, GPS coordinates and financials
- Your company logo will be on the Classroom of Hope website on our partner's page
- A Partner Impact Story will be shared with our database about the impact you/your company are creating
- Remote or face-to-face (depending on location) presentation to your staff about the project by a CoH staff member
